

Dr Catherine Dale  
General Manager  
Eurobodalla Shire Council  
PO Box 99, MORUYA 2537  
[council@esc.nsw.gov.au](mailto:council@esc.nsw.gov.au)

Dear Dr Dale

A Better Eurobodalla (ABE) is keen to know how Eurobodalla will emerge from the restrictions that have resulted from the 2019/20 bushfires and the Covid19 pandemic.

Some Council services have been withdrawn or closed through this period, but we are aware that other regions have been reinstituting services and reopening facilities with accepted Covid19 safety precautions in place.

Communities and governments are recognising that Covid19 is an ongoing challenge for our immediate future and, of course, Council has an important role to play in managing its facilities and services to help our community connect and strengthen in our 'new normal'.

We are aware that the Tip Shops at the ESC waste management facilities are still closed. Can you please advise when these important recycling services will reopen?

Additionally Council has advised that there will be no Art on the Path activities in Broulee over summer. Given that outdoor activities are considered to be low risk, and that most markets in the Shire are functioning effectively with Covid19 arrangements in place, can you please advise :

1. Who made this decision?
2. On the basis of what advice? and
3. Can that decision be reviewed in light of recent recognised statewide Covid19 safety precautions?

We look forward to your response to these questions.

Yours sincerely,

Bernie O'Neil  
Co-Convenor  
ABE
