

Dr Catherine Dale
General Manager
Eurobodalla Shire Council
PO Box 99, MORUYA 2537
council@esc.nsw.gov.au

Dear Dr Dale

I am writing in relation to the Eurobodalla Council's Variable and Changing Climate Adaptation Strategy, an undertaking contained in Council's Delivery Program 2017-2021 - Operation Plan 2020/21. As it is now only 7 months until the end of the current financial year, A Better Eurobodalla (ABE) considers it an opportune time to seek an update on the current status of this project.

ABE understands that Council staff have completed a draft of the Variable and Changing Climate Adaptation Strategy, which outlines actions to be undertaken to assist Council to adapt to the impacts of climate change. The next step would be to release the draft for public consultation, including seeking feedback from the community on ways in which Council can assist the Eurobodalla community with adapting to climate change.

Could you please advise :

1. when the Draft Variable and Changing Climate Adaptation Strategy will go out for public comment, and
2. the timeline for the finalisation of the Eurobodalla Shire Council's Variable and Changing Climate Adaptation Strategy.

We look forward to your response to these questions.

Yours sincerely,

Dr Brett Stevenson
Co-Convenor
ABE
