

Dr Catherine Dale General
Manager Eurobodalla
Shire Council PO Box 99,
MORUYA 2537
council@esc.nsw.gov.au

Dear Dr Dale

As you know, A Better Eurobodalla (ABE) has been engaging with the community across the Eurobodalla to identify issues of concern, and bushfire recovery is one which is frequently mentioned. As the process of recovery from the disastrous bushfires of 2019-20 continues across affected areas, community interest and engagement remain high, and accordingly ABE is seeking relevant information on this topic of community concern.

Eurobodalla Shire Council's recovery response is outlined in the Eurobodalla Shire Council Recovery Action Plan, dated April 2020, which references creation of the Eurobodalla Local Recovery Action Committee.

In the interests of better community understanding and disaster preparedness, ABE requests the following information regarding Eurobodalla's recovery activities :

1. How many times has the Eurobodalla Local Recovery Action Committee met since its creation?
2. How can the community access agendas, minutes and outcomes of the meetings of this Committee?
3. Please provide a full listing of the Committee's membership,
4. How many updates of the Eurobodalla Shire Council Recovery Action Plan have occurred since April 2020, and how can the community access these updated plans?

We look forward to your response to these questions.

Yours sincerely

Dr Brett Stevenson
Co-Convenor
ABE
